#HOME OF THE KING PARROT

2023 AUGUST

With the year racing by, August was another successful month at Paterson Golf Club. Both the course & players enjoyed the rising temperatures as the cooler months draw to a close. Plenty of positive feedback regarding the standard of the course has been received & the strong weekly playing numbers are reflective of the appreciation for the ongoing course maintenance works by our dedicated volunteers.

September will see the return of the **Paterson Open** to its usual position on the calendar for the first time since 2020; more information available on [page 7](#).

Only 2 fixtures remain in the **Men's Match Play Championships** including the Final on September 23rd. Good luck to the remaining players!

Don't forget the **Annual General Meeting** will take place on **Saturday 9th September** from approximately **12pm**. Paterson Golf Club is exclusively operated by a volunteer committee; new faces & ideas are always welcome & many hands make light work!

CLUBHOUSE UPDATE

with Paterson GC Committee

Annual General Meeting (9th September)

Please be reminded our Annual General Meeting is scheduled for **Saturday 9th September** following conclusion of play from approximately **12pm**. Members are strongly encouraged to attend. All committee positions will be declared vacant & open to members who wish to nominate.

The base of dedicated volunteers has always been Paterson Golf Club's greatest strength & it's critical to the longevity of the club that members put their hand up to assist.

Green Renovations (August)

Minor renovations were completed during August with 12mm solid tyne vertidrain works across each green to give them a boost ahead of both the 2023 Paterson Open & the Male Club Championships.

Planned Fairway Improvement Works

Works are planned to commence in late September to aid grass growth on each fairway to complement the ever-improving level of the facility. The works will include the application of lime & fertilisers to progressively break down the clay layers & improve the turf in addition to aeration which will allow improved growth.

Tool & Equipment Purchases

A suite of new tools are being obtained to ensure our voluntary workforce have the appropriate equipment to assist maintenance works on machinery. With the current arsenal of tools ageing, an upgrade is required, particularly ahead of the warmer months where machinery will be used regularly.

Cart Path Construction

Construction of the first segment of cart path is scheduled to commence from early September to ensure grant delivery obligations are met. Further works will continue progressively with further segments being added in critical areas in the first instance.

Cricket Nets Removal

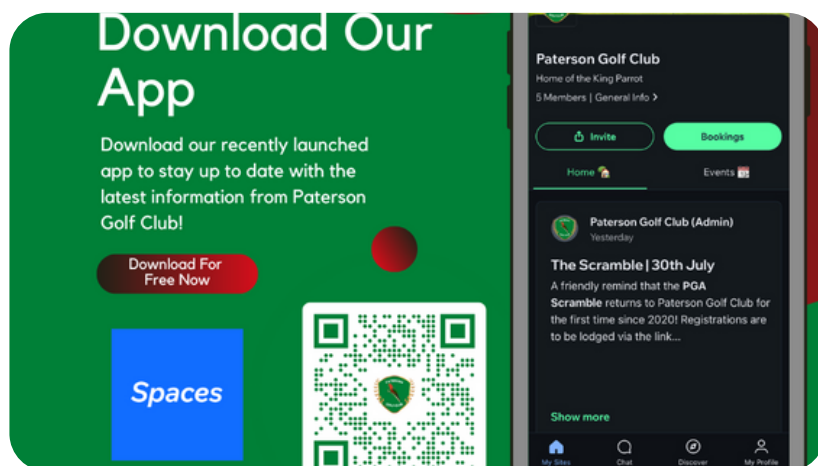

With the new cricket nets near the sportsground entry being fully operational, the existing nets which sit near the first tee can be removed. The top segment of the fencing will be removed which will improve the aesthetics of the first tee & course in general & the bottom segment will remain in place as boundary fencing to block vehicle entry.

Sportsground Entrance

Council have commenced works to upgrade the entrance into the sportsground which will include sealing the road & also creating a dedicated entry & exit lane. Whilst works are completed, access into the facility may be limited to a single entry / exit point.

App Reminder

Don't forget, our new App has been rolled out & is available for members to access. To download the application, scan the QR Code or click on the *below* or visit the following link - <http://wix.to/V2KRr7k?ref=mam>.

ECLECTIC | JUL > DEC

The half yearly Eclectic Competition continues in the background of each weekly Open Competition. The Eclectic Competition is split into 2 Divisions with the respective winners & runner ups allocated a value to their prize account at the end of June & December.

The Eclectic Competition calculates the lowest score scored by each player in every round they participate in to calculate a cumulative best round throughout the period with your lowest handicap during the period being adjusted to 50% to determine a Nett score.

To see your progress visit our [Results](#) page on our [website](#).

UNDER PAR COUNT

Throughout the August Saturday Competitions **156 rounds** were lodged, with players scoring a total of **47 birdies**. **Glenn Davies** claimed the bragging rights for back to back months with a total of **5 birdies** this time around.

Despite the highest weekly field average for individual competitions, August ended with the least amount of birdies for the year to date. The par 4 11th was the most receptive with 7 birdies, including 4 on August 12th. The 15th hole again featured highly with 6 birdies despite the tees being in the back position.

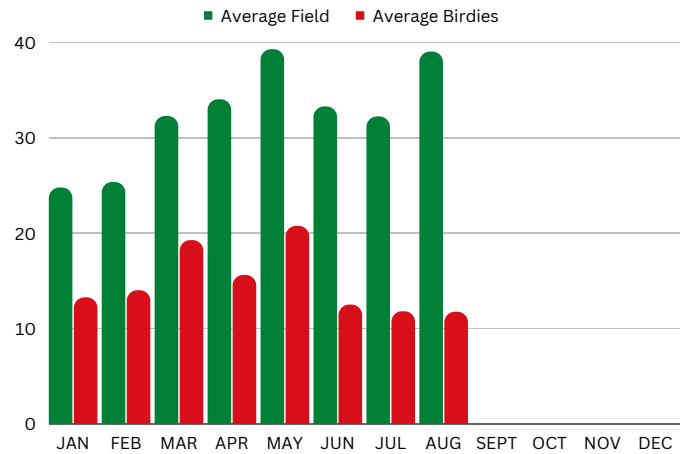

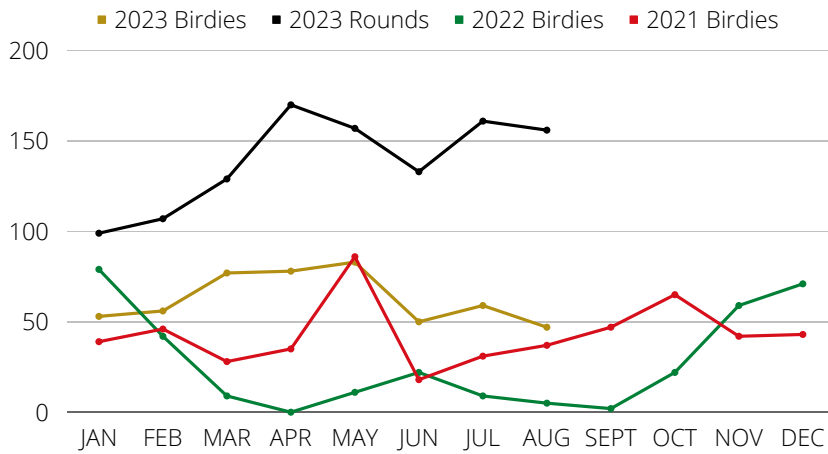

As per the usual trend, the 3rd, 12th, 13th & 16th challenged players with no birdies recorded along with the 17th which in recent months had favoured players, however, no birdies were converted during August play.

- 5th August** | 11 birdies
- 12th August** | 23 birdies
- 19th August** | 4 birdies
- 26th August** | 9 birdies

PATERSON CUP | JUL > SEPT

Peter Griffin remains in command of the Paterson Cup for a second consecutive month with a total of **329 Points**. Peter sits ahead of **Allan Mckinnon** who has closed the gap to a 6 point difference with one month of play remaining. **Wayne Stedman** picked up the highest tally of points throughout August accumulating **159** over 4 rounds including bonus points on 2 of his outings.

The Paterson Cup will operate across 4 segments throughout January-March, April-June, July-September & October-December (weather permitting). Points will be allocated to Members who participate in Saturday Competitions throughout each period based on their ranking in each competition. Bonus points are applied to the top 3 players each week. To view the full leader board visit our [website](#).

RULES INFORMATION | PENALTY AREAS

Check out the diagrams *below* surrounding penalty areas. For more information visit the [R&A Website](#).

When it is known or virtually certain that a ball is in a yellow penalty area and the player wishes to take relief, the player has **two** options, each for one penalty stroke. The player may:

1. Take stroke-and-distance relief by playing a ball from a relief area based on where the previous stroke was made.
2. Take back-on-the-line relief by dropping a ball outside the penalty area, keeping point X between the hole and the spot where the ball is dropped.

When it is known or virtually certain that a ball is in a red penalty area and the player wishes to take relief, the player has **three** options, each for one penalty stroke. The player may:

1. Take stroke-and-distance relief by playing a ball from a relief area based on where the previous stroke was made.
2. Take back-on-the-line relief by dropping a ball outside the penalty area, keeping point X between the hole and the spot where the ball is dropped.
3. Take lateral relief (red penalty area only). The reference point for taking relief is point X, and a ball must be dropped in and played from the two club-length relief area, which is no nearer the hole than point X.

WATCH OUT FOR MAGPIES!

Our resident Magpies have returned & they have been observed swooping players on the 3rd hole. Whilst they haven't stolen any golf balls like the crows, make sure you keep an eye out for them during your round!

Pictured | Magpies have been observed swooping unsuspecting players on the 3rd.

Dr. Izzy Justice @izzyjustice
I've done over 6K brain scans on putting alone. Doing practice strokes just before hitting the putt has a negative impact on brain in over 95% of time. Eliminate your practice strokes to allow your brain to focus on holding your target.

Dr. Izzy Justice @izzyjustice
Taking the target (pre shot routine) and Holding the target are not the same thing. Most are better off spending 25% routine time taking target and 75% holding it. If the brain knows "where" it needs to send the ball, it will instruct muscles to do so.

2023/2024 MEMBERSHIP PACKAGES

In the graphic (right) our 2023/24 Membership categories are displayed; Paterson Golf Club offers some of the most competitive & affordable membership across the Hunter region. Join today & start to enjoy the benefits this great country club has to offer!

Membership has been increased from \$260 to \$280 (Standard Membership Fee) & from \$400 to \$450 (Gold Membership Fee) annually, following due consideration by the committee. Our Membership fees were frozen during 2022/23 due to the ongoing impact of inclement weather & inability to use the course, however, with costs across the board continuing to rise, a minor increase was deemed appropriate in the current climate.

The Membership fees collected by Paterson Golf Club are distributed into several different streams which include Golf Australia & Golf NSW which allow Members to enjoy the benefits of the national GolfLINK system which manages your handicap. Affiliation fees are also forwarded for each Member to the Hunter River District Golf Association which provides opportunities for Members to participate in District events including the Order of Merit & also into the Pennants Series across multiple grades.

Paterson Golf Club retains the remaining fees which is used across the club to fund activities on the course including machinery maintenance, as well as the other ongoing costs such as chemicals, fuel, electricity, water & our competition management software.

Paterson Golf Club remains committed to providing an affordable membership for Members whilst ensuring the rising costs of managing a golf course are maintained.

Please do not hesitate to [email](mailto:patersongolfclub@bigpond.com) the club or speak with one of our Committee Members if you need any further information surrounding your Membership.
