CLUBHOUSE UPDATE

with Paterson GC Committee

Course Update

With the hot weather throughout January watering the course was highly important & the greens in particular have survived well. Only the back of the 5th green was burnt which is responding well to treatment & will be back in play soon.

The course overall is looking healthy with the coverage of grass on fairways continuing to improve which players are appreciating.

Pennants Update

Paterson Golf Club will host HRDGA Pennants matches throughout February & March.

B-Grade - Sunday 11th February

Seniors - Sunday 25th February

C-Grade - Sunday 3rd March

Any volunteers who may be able to assist on these days would be appreciated; please let the committee know if you are available.

Cart Path Construction Progress

Works have been paused throughout the Christmas & New Year period & are anticipated to recommence throughout early 2024.

Cricket Net Removal

The old cricket nets located behind the 9th green have been removed with the materials repurposed into creating a fence to restrict vehicles accessing the course. Thanks to the group of volunteers who regularly play socially on Fridays for completing these works!

2024 STABLEFORD SKINS QUALIFIERS

Stableford Skins has returned in 2024 with the first 2 rounds completed without interruption.

Rounds 3 & 4 are scheduled for February with players needing a minimum of 3 scores to qualify for the Skins Final which is currently scheduled for March.

Registrations to participate remain open. Players simply need to sign up prior to a designated Qualifying Round & pay the \$25 entry fee. Their stableford score from each of the 5 qualifying rounds is recorded with the best 3 scores counting towards their overall score. Subject to entries, players ranked in the top 4 overall (or top 8 if numbers permit) will qualify for the final where they'll play for cash.

The more entrants we have the greater the prize pool available for each respective divisional Skins Final. Based on current numbers only 1 division will be possible (top 4 players), however, should more players register throughout February an additional 4 players may have the chance to qualify for the a second final. Get involved for your chance to win some cash!

UNDER PAR COUNT

Throughout the January Saturday Competitions **140 rounds** were lodged, with players scoring a total of **53 birdies & 2 eagles**. **10 players** tied for first place with 3 birdies each with no clear winner for the month.

A new season has started & January got off to a strong start with 2 birdies or better in comparison with this time last year. The back 9 favoured players during the month with 21 birdies on the front 9 whilst the back 9 recorded 34. The 15th was a stand out for the month with the forward tees making the short par 4 accessible from the tee with a total of 9 birdies & 2 eagles. Next best sat the par 4 11th & par 3 14th which accepted 6 birdies each.

The par 4 3rd & 12th again proved their worth as the hardest holes on the course with no birdies. Surprisingly the short par 3 1st & 5th only had singular birdies which is significantly down on their usual returns.

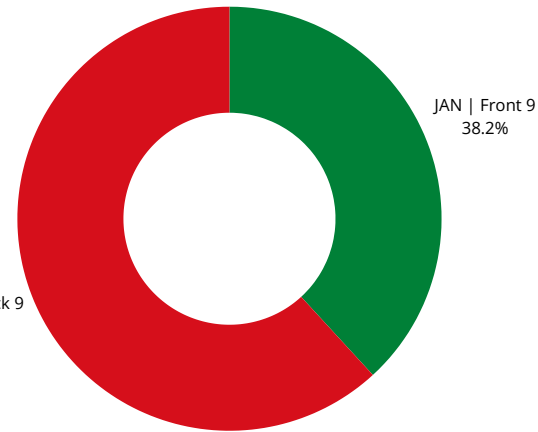

- 6th January** | 8 birdies, 38 players
- 13th January** | 10 birdies & 2 eagles, 32 players
- 20th January** | 21 birdies, 34 players
- 27th January** | 14 birdies, 36 players

Members Eagles Nest | 2 balls sits in the Eagles Nest after it was raided again in January with Michael Shanley & Darren Egar claiming eagles on the par 4, 15th during play on January 13th. Both players took home 1 ball each splitting the winnings with the nest depleted following a number of eagles throughout December.
