2023 NOVEMBER

The course has responded strongly to the various renovations completed in late October with the greens back to their usual condition & the fairways with an excellent coverage of grass heading into Summer.

November ticked along nicely with the temperatures rising with the season changing. A hot start to December is anticipated, however our irrigation systems will be working overtime to keep the course healthy.

As we approach the festive season, best wishes to all our members, regular visitors & their families for the Christmas & New Year period. Thank you for your support throughout the year!

CLUBHOUSE UPDATE

with Paterson GC Committee

Volunteers Needed

More volunteers are needed to assist with the various maintenance activities required to keep Paterson Golf Club operating. If you are able to assist in anyway such as mowing, whipper snipping, spraying, clearing greens, removing large sticks & branches off fairways, etc. please reach out to the club via 49 385 828 / patersongolfclub@bigpond.com or head out to the golf club & join our *Friday Crew* who currently complete some of the works (7am every Friday at the maintenance shed).

New Stihl Backpack Blower

A new blower has been purchased to assist clearing the debris off the greens prior to mowing more effectively. The new piece of equipment is more powerful than the existing hand held blowers & is able to clear the greens quicker & also move the debris further away from the surrounds of the greens.

Cart Path Construction Progress

Works are scheduled to continue throughout December with the installation of further segments of the concrete path funded as part of the NSW Government's Essential Community Sport Assets Program Grant. The lower section of the course around the 2nd green & 3rd / 9th tees as well as the around the 8th green are planned to be completed prior to Christmas. A progress report is due to be provided to the government prior to Christmas which will allow the next stage of funding & works to continue throughout 2024. Thanks again to James Cowled Building & NEP Hire who have completed the works to date & also to our volunteers who have assisted.
